The **celebration of Baptism** can resume from July 5<sup>th</sup> with restricted numbers attending. We will begin by facilitating those families who have been waiting for a considerable time to celebrate the baptism of their child.

Our third **Family Faith Connect Mass** in preparation for First Communion and First Reconciliation takes place this Sunday at 11.00am. We welcome the families of the children in St. Brigid's, Scoil Mobhi, Glasnevin Educate Together, NDNISP and Glasnevin National School, most of whom will be joining us via webcam this Sunday. Two representative families from St. Brigid's and GETNS will participate in the Mass on Sunday and the First Communion children will send in pictures to decorate our Family Faith Space

Family Offering Donation €250, 1st Collection €270, Share Collection €115 - thank you for your generous support

**CHURCH OPENING AND MASS TIMES**

There are now two Masses each Sunday: at 9.30am and at 11.00am. The Mass at 9.30am will include some elements *as gaeilge*, including one of the readings. We respectfully remind parishioners of the following guidelines:

\*The church is divided into two pods, and stewards are on hand to count parishioners in and guide you as to where to sit, so we can maximise the number who can attend while ensuring all safety measures are observed.

\*We ask parishioners to wear a face mask while attending Mass and to sanitise your hands using one of the dispensers available as you enter the church.

\*Holy Communion is brought to you by the celebrant or an assisting minister.

\*Follow the guidance of stewards in exiting the church at the end of Mass.

\*Mass will continue to be streamed on the webcam for those who choose for the moment to continue to participate from at home: [www.glasnevinparish.ie](http://www.glasnevinparish.ie)

The church remains open each day from 11.00am-5.00pm for private prayer.

**Please note:** The Sacristy and Parish Office are currently **closed for access**. Many parishioners and others commented on the wonderful series of reflections, **Living in Unsettling Times**, which **Fr. Paddy Sweeney** presented via webcam each week during Lent from a different church in our Glasnevin Grouping. Following numerous request, and Fr. Paddy's agreement, we have collected the five reflections into a small booklet, which the parish of Our Lady of Victories, Ballymun Road has beautifully produced. (*Many thanks to our own Martin Ryan for the design cover for both the talk series and for the booklet*). A limited number of the booklets will be available to parishioners at the back of the church from this Sunday. You are welcome to take one and to leave a small offering towards the production cost. If we run out, we can get more printed.

Following the good example set by the **Glasnevin Village Residents Association**, many thanks to all who volunteered their time to clear the piece of ground behind the church carpark and to tidy up the grounds around the church recently. It is planned that this will continue on a regular basis. The GVRA Clean-Up group is offering their support with sweeping and cleaning around the church on a monthly basis. They are meeting this Saturday at the church at 10.15am, and all volunteers are welcome. Just bring along a sweeping brush or weeding tool! Congratulations to the GVRA and to DCC for the great work in replanting the bed surrounding the stone dedicated to St. Mobhi outside the Bon Secours hospital!

**Reflection:** *This Sunday's Gospel, which occurs quite early in Mark's account, features a storm on Lake Tiberias which leaves the disciples feeling frightened and vulnerable, which Jesus seems to be asleep and uncaring. We have been negotiating choppy waters over the past 15 months. Covid 19 has introduced a new insecurity into our lives and transformed so many aspects of life we took for granted. We are only beginning to move towards calmer waters. But a crisis is also an opportunity for fresh thinking, bold action and a call to a renewed and deeper faith. A **Task Force**, entitled **Building Hope**, has been established by Archbishop Farrell to engage with the whole diocesan family. The intention of the Task Force is to support parish communities to undertake a radical renewal, looking to the future with creativity. This is a first step to enable the Archdiocese of Dublin to discern a pastoral strategy, so as to give effective witness and service in the years ahead. The Parish Pastoral Council and Finance Committee are formulating their response to the Task Force. However, an online consultation document will be made available to all parishioners in the coming week, and we can all help in extending the invitation as widely as possible to people to respond. The Archbishop has requested that parish responses be submitted by Friday 25th June.*
